

How deep is your love  
Brown Eyed Girl  
Does anyone know what time it is  
Living on a prayer  
Maggie may  
Hotel california  
All out of love  
Against all odds  
Candle in the wind  
Faithfully  
25 or 6 to 4  
When I'm with you  
Imagine  
Hard habit to break  
Right here waiting for you  
Fool in the rain  
Big shot  
Pass the dutchie  
Careless whisper  
Cult of personality  
99 luftballoons  
Superstitious  
Hold the line  
Staying' alive  
Walk this way  
Oh what a night
